

Developing the Minster Vision

Coming this Spring: As part of our Minster Vision, **Form** is for those who feel especially called to supporting the life and ministry of Christ Church, through a 'rule of life'. Our commitment to these spiritual practices will renew and underpin the heart of the minster vision.

Also part of our Minster Vision, **prayer support groups** meet once a term or more to pray for and support those sharing a common 'front line'. Beginning this Spring; a network for those supporting children with neuro-diversity; those working in primary healthcare; those working in business/commerce. Watch for more details.

Please see our website for more information about our Minster Vision and how you can be involved.

Life groups

Midweek groups provide practical care and support for one another and help us to live out our vision and calling. There are currently about 21 groups meeting in and around Tunbridge Wells (including WOW – a women's bible study on Wednesday mornings and M3 for men every Monday night). Joining a small group is the best way of getting to know people. Contact Rita on lifegroups@cctw.org.uk

Serving

Another great way of getting involved at Christ Church is to serve alongside others in some way - making new friends while serving. Ask for our 'getting involved at Christ Church' booklet for ways to serve, or find it on the website.

Sunday Mornings 9.15am and 11.15am

This Spring we begin our Sunday gatherings looking at ‘Secrets of the secret place’. Drawing on insights from the Psalms, we consider some of the ancient practices God has ordained by which we ‘draw close’ to Him and find strength and resilience to face our world and its many challenges.

In the lead up to Easter we consider some of the Miraculous Signs of Jesus that bring healing, joy and wonder, but also point to who He is and what he’s come to do for us.

At most services, we take the opportunity to pray for those who wish to respond specifically to that Sunday’s message. Prayer ministry is available after the service for healing or any other specific needs. The 11.15am Service is live-streamed each week. Watch or catch up with previous services on our youtube channel.
