### What we believe about Giving

Giving is part of our worship to God:

*'This service is not only supplying the needs of God's people but is overflowing in many expressions of thanks to God' (2 Cor 9:12)*

Sacrificial giving is a 'norm' for Christians:

*'Just as you excel in faith, in speech, in knowledge, in complete earnestness and in your love for us – see that you also excel in this grace of giving' (2 Cor 8:7)*

Giving should be regular and planned and not left to how we might 'feel' on the day!  
*'On the first day of every week, each one should set aside a sum of money in keeping with their income...' (1 Cor 16:2)*

***Thank you for partnering  
with us in this ministry.***

## Financial Giving

*Thank you for taking the time to consider your financial giving to Christ Church. Giving is a great way of expressing our commitment to God, and to the local church. With no grants, public or wider-church funding, Christ Church depends entirely on the generosity of its members for almost all its income.*

### How are our funds spent?

Our income supports every aspect of our church's life, from maintaining our building, supporting our outreach activities and mission partners as well as staff salaries.

### How to Give to the ministry at Christ Church

- If you're not already giving on a regular basis, you might consider making a new regular bank transfer or standing order.
- If you already give regularly, you might consider increasing the amount you give.
- If you're already giving regularly, you might wish to make a one-off gift.
